Arab Health Congress 2022

The 47th edition of Arab Health will offer you the option to learn and network in-person and online. The in-person and online experiences will each offer content that is unique and distinct from each other.

4 live in-person conferences
8 online conferences
250+ sessions

550 speakers
CME accredited

These activities have been approved for AMA PRA Category 1 Credits™.

Register before 15th December to avail early bird rates.

Visit ahcongress.com for more information.

#ArabHealth
Live, in-person conferences

Meet and network with expert speakers in-person at Arab Health, and experience face-to-face learning once again. What’s more, every live delegate gets free and exclusive access to CME-accredited hands-on trainings and interactive workshops.
