

PCR Testing Guideline

Arab Health 2022
January 24 - 27, 2022

Frequently Asked Questions

Is a PCR test required to enter Dubai ?

Yes. Effective from 31 January 2021 the following requirements are necessary when travelling to Dubai :

- All tourists and residents arriving in Dubai from any point of origin (including GCC countries) must hold a negative PCR test certificate, for which the test must be taken **no more than 72 hours prior** to the time of departure.
- Negative COVID-19 certificates must be printed in **English or Arabic**. No handwritten, SMS or digital certificates will be accepted.
- UAE nationals are **exempt** from the above (unless the country of origin requires a pre-travel test) but will be required to take a PCR test on arrival at Dubai airport.
- For select destinations, residents and tourists may need to take two COVID-19 PCR tests: one before departure with a validity of 72 hours from the date of the test, and a second test upon arrival in Dubai. Please refer to the [Emirates' list of destinations](#) where this is applicable.
- There may be specific departure requirements in your country before you leave; please check with your airline carrier and country of origin travel guidelines.
- GDRFA approval is no longer required for residents returning to Dubai.
- For further information please call the **DHA hotline 800342** or visit www.dha.gov.ae

What documents are required to take a PCR test ?

Requirements may vary depending on your country of origin. The below are general requirements that may be requested:

- Passport copy
- Visa copy / stamp
- Original Emirates ID (for UAE residents)
- Medical Insurance card (for UAE residents)

What are the payment options ?

Payments depend on the PCR facility and may accept cash or card payments only

How do we receive our test results ?

- Via a UAE mobile number
- Email address

**Please ensure you give the correct contact details to receive the results*
